The SCA started its year early with meetings before the beginning of school. It wrote a new Constitution and had it ratified by the students, later adding an important amendment. Members participated in many activities such as class elections, computer dating match-ups, student exchanges with local schools, a teacher-student basketball game, and many dances, including a dance-a-thon and a Sadie Hawkins Dance.

One of the biggest activities of the year for the SCA is Football Homecoming. Activities include building floats, setting up the parade, halftime activities, and having the Homecoming Dance.

Most of the activities sponsored by the SCA this year were set up to raise money for a marble sign which will be presented to the school by the SCA and other clubs.

The SCA would like to thank Mrs. Long for all her hard work this year and wish next years members much success.

Library Club

Librarian — Miss Billie Jean Scott

Library Aide — Mrs. Charlotte Lawson

There were 19 regular members and 10 substitutes in the Lucky Leaf Library Club for 1984-85.

The Library club continues to be one of the most active clubs in the school, serving the student body and the faculty on a daily basis.

In December, the library received a certificate of commendations for leadership in Virginia reading month activities, signed by Dr. John Davis, State Superintendent of Institution, Governor Charles S. Robb, and Lynda J. Robb honorary chairperson, Virginia Reading month.

Other school related activities participated in included: Apple Butter Days, Mrs. Gilley's personal art exhibit, and her art department show.

All faculty meetings are held in the library as well as many departmental meetings.

Miss Scott, librarian, also has had poetry published in a collection of creative writings by the Delta Kappa Gamma Society International A SPRIG OF BASIL.

In April, the library celebrated the National Library Week theme, A Nation of Readers, by trying to encourage each student to check out a book during the month. The school's theme "Read for Pizza."

In cooperation with Pizza Hut of Big Stone Gap, a Viking Bookmark was designed by the school librarian, Billie Jean Scott, with discount coupons attached. Some bookmarks were marked for dinners.

At the May meeting students who had read the most books by grade level were recognized and given a free dinner at the Pizza Hut. Calvin Sturgill, 8th grade, read 104 books, the most in his grade level and also the most in the entire school. Overall, the highest readers: Monroe Houston, 54; Sandra Collins, 50.

The top reader in each grade level were as follows: 9th grade — Myrtle Rogers, 10th grade — Brian Bolinsky, 11th grade — Capi Key, 12th grade — Kim Barnette.

David Collins, senior, has read the most books during his five years in high school.

Also the library club enjoyed an "end of the year" pizza feast.

The Senior members of the Library Club would like to thank Miss Scott, librarian; and Mrs. Lawson library clerical assistant, for their love and devotion throughout the high school years.

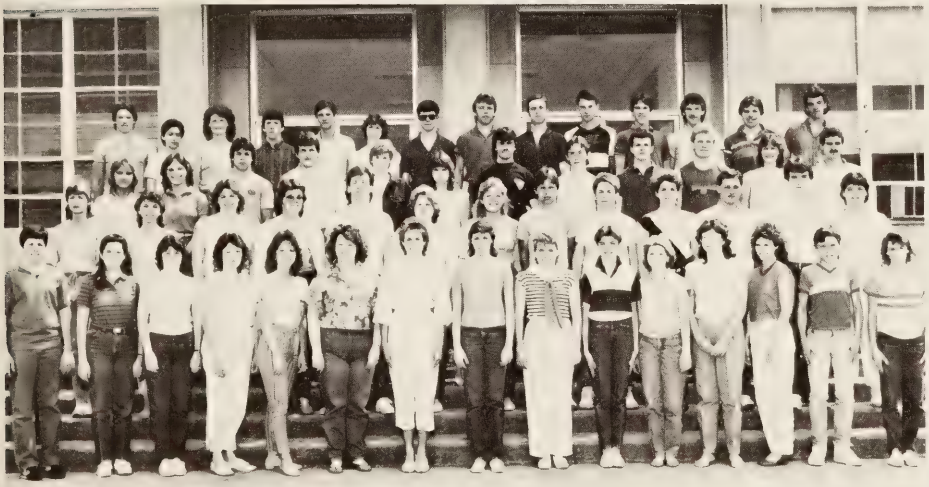
Beta Club
Sponsor — Mrs. Debra Artrip



Although the club was just formed this year, Powell Valley's Chapter of the National Beta Club has been hard at work. Besides providing the auditorium with a new flag, they have contributed to the fund for the sign being erected in front of the school. Among its other duties, the club has been placed in charge of organizing the Honor Roll each six weeks. Throughout the year as means of fund raising, the club sponsored a dance, sold valentine flowers and spirit buttons among other things. The money received went toward the school improvements and a $100.00 scholarship to be given to a graduating senior member who had contributed most to the club.

In March of this year, six of the club's members went to the Beta Club State Convention in Williamsburg, VA. Those members were: Todd Stone, Michelle Powers, Paige Dowdy, James Holcomb, Jackie Cole, and Tammy Cole.

Next year promises to hold even more exciting activities for the PV Beta Club.

The Spanish Club is an organization whose purpose is to promote an interest in the customs, language, and traditions of Spanish-speaking countries.

This year, along with the French Club, co-hosted the Annual International Day of 1984. At this banquet and dance, foreign language students prepared cuisine from many countries. We also participated in fund-raising activities in order to contribute to the construction of the sign, which will be erected in front of our school.

Future Homemakers of America serves a dual-purpose. It prepares students for the world of work and to be a homemaker.

Throughout the year, we have done community service projects and projects for individual growth of members. We had several resource people speak to our chapter regarding careers and homemaking. We also sponsored a school dance for the student body — a Halloween costume party — and a trip to Silver Dollar City for members.

The primary objective of the Marketing and Distributive Education program at Powell Valley is to prepare youth for full-time employment in the field of distribution. The courses also serve as a background for those who plan to continue advanced training on the college level in marketing, public and business administration, advertising, consumer education and related fields.

To successfully achieve this objective, the marketing and Distributive Education Program combines classroom instruction, practical work experience in marketing, and co-curricular DECA activities.

During the 1984-85 year students attained district and state recognition in General Merchandising, Restaurant marketing, Food Marketing, Communications, Sales Demonstration, and Apparel and Accessories.

The Fellowship of Christian Athletes has enjoyed a successful year. We started early by having a Jazz-t-thon for leukemia. We also introduced some Rock Christian music to Powell Valley by having groups such as "Seed Company" and "Foundation" from Carson Newman College. The annual "Sharing the Victory" rally was held on May 1 this year and was super. We went to Smith Mountain for the "Weekend of Champions" resort to sum up a wonderful year.

We would like to thank our sponsors: Coach David Lee, Mrs. Pierce, Bob Hodsdon, Coach Rick Blevins, and Coach Jimmy Mitchell for their love and patience.

We held a car wash to prepare for the rally. The car wash, thanks to everyone who let us wash their car, was a total success.

Art Club
Sponsor: Mrs. Mary Alice Gilley

Officers:
Michael Blevins — President; Serena Zahnke, Cindy Robinette, Brian Renfro, David Eldridge, Class Representatives

The purpose of the Art Club is to foster an awareness, understanding, and appreciation for the visual arts in our school and community.

This year, the Art Club participated in exhibitions for Apple Butter Days, the Virginia Forestry Poster Competition, the Teen Art Show at the Wise County Regional Library, and the Powell Valley High School Spring Student Art Show. The Art students have also assisted with stage scenery for Powell Valley High School Choral productions.

The Art Club is a member of TEAMS (Traveling Exhibition and Media Service of the Virginia Museum) and has viewed many special art films from the museum.

The Art Club has 51 members this year, all of whom are enrolled in current art classes. However, this is not a requirement for membership. Membership is open to all interested PVHS students. All Art Club planning activities this year are conducted in conjunction with the regular scheduled art classes.

The annual Broadway Musical at PVHS is a curricular project of the advanced choral class. Part of a six-weeks unit on the American Musical Theatre, it provides students an opportunity for "hands-on" learning in such areas as vocal production for theatre, musical movement, basic acting techniques, set design and construction, application of important analytical and aestethic skills, and, by no means least, the practice of personal, group and artistic discipline. We are pleased to share with you the fruits of this educational experience.
